Dear Parents

SCHOOL BUS

If your child travels home from school on the school bus it is essential that we are made aware. **The only information we receive is from County in July.**

Please complete the below information so we know how your child is travelling home from school.

Bus children line up inside school and are taken to the bus by a member of staff.

If you are collecting your child please notify us before the end of the day. This must come from an adult **NOT** your child.

If you have been unable to notify us your child will come out with the bus line. If you need to take your child from the bus line please tell the member of staff with the bus line.

Thank you for helping us with this. Pupil safety is our priority.

Yours sincerely

Headteacher
