Dear Parents,

In line with the requirements of the PE & Sports Grant funding we need to report on the number of children in Year 6 who can swim and report on a variety of aspects about swimming. This information will be published on the school website.

Please could you take the time to fill in the questionnaire below to help us gather this information. In addition we have added in some extra questions about the barriers preventing children learning to swim in rural areas and how this impacts on them/on what?. Please give as much information possible as this will help us to plan our future swimming provision.

Can your child swim at least 25 metres?

Can your child swim using a variety of strokes?

Does your child attend swimming lessons outside of school?

Is it easy for you to access swimming outside of school for your child?

If it is not easy for you to access swimming for your child please could you indicate the reasons why? e.g. parents lack confidence to swim, the distance to travel to the closest pool makes it difficult, the cost is prohibitive.

Replies are voluntary and can be anonymous.

Kind Regards

Mrs A Buddle

Headteacher
